About us

Tata Bearings is one of India's most valued brands and is recognised for top grade performance, longer life, best in class reliability and consistent delivery and service. Customised bearings for specific applications are made available as per requirement of the customers. The Bearings Division of Tata Steel is one of India's largest quality bearing manufacturers, with a production capacity of 40 million bearing numbers.

Continuing the Culture of Excellence

Our Product Portfolio

Tata Bearings continues to enjoy a distinct pride of place as one of India's most valued brands of auto components and bearings.

Our product range includes:

- Ball Bearings
- Taper Roller Bearings
- Spherical Roller Bearings
- Multipurpose Lithium Grease NLGI Grade -3
- EP 2 Grease Powered by Lithium
